Package #1 “Shoot and Ship” \$300.00

Our most basic package, when you just want to document an event or performance and/or will be doing your own editing.

Three (3) hours HD 720p recording, single camera, tripod, external mic, using available light. Converted to MP4 (H.264) file and sent to you via secure file transfer service. File will remain online for two weeks. No archival copy is retained.

NOTE: DVD copies are EXTRA. Add \$50.00 per hour of running time.

Package #2 “Basic Package” \$700.00

Edited and finished video, such as a business profile, audition video, song demo, electronic press kit, oral history or mini-documentary.

Four (4) hours HD 720p recording, single camera, tripod, external mic, using available light. Eight (8) hours post-production. Exported as MP4 (H.264) file and sent to you via secure file transfer service. File will remain online for two weeks. Raw footage and edit master archived for one year, will be returned if desired.

NOTE: DVD copies are EXTRA. Add \$50.00 per hour of running time.

Package #3 “Deluxe Package” \$900.00

Enhanced version of Package #2 with a few higher-quality add-ons.

All of the above, plus portrait lighting of interview subjects, lighting correction of interiors as needed, multiple microphones and audio mixer as needed.

Two (2) additional hours post-production time, including color correction.

Production of DVD master and 3 DVD copies. Additional DVDs \$2/ea.

Additional hours shooting or editing, add \$50/hour.

Second camera and operator, \$60/hour plus \$100 additional editing time.

Call or e-mail for information on other services, including multi-track audio recording, 5.1 surround recording, additional equipment and crew.

TERMS: 50% down, remainder on completion. No edited masters released without payment.

For longer programs (not including travel), estimate \$2,500 per 30 minutes running time. There is a slight price break for a 60-minute program.
